ABOUT THE CHINESE CHAMBER

The Chinese Chamber was formed in 1911, best known today for:

- **Our Chinatown Rejuvenation Efforts**, such as Clean Ups, a new Chinatown Tour, Business Promotion/Support & Regular Meetings with the City to increase policing and programs to improve our beloved district.
- **Narcissus Festival**, which includes Chinese New Year Events, the Narcissus Queen Pageant, Coronation Ball and Annual Tour of China.
- **Maintaining Relations with both the People's Republic of China and Taiwan** to foster friendship and commerce

We also do a lot more, like

- **Regular Networking Events and Business Seminars**
- **Networking with the fellow Members of the Quad Chambers** (Filipino, Korean, Japanese & Chinese Chambers)
- **Giving our members opportunities to be involved** in our different Committees (Chinatown, Membership, Narcissus) to build connections and friendships
- **Young Professionals Group** for those under 35 years old, with their own activities and opportunities

Be a Part of the Chamber!

Visit us at ChineseChamber.com or call (808) 533-3181 to learn how to join and get involved. We'd love to talk with you!
